Those present were: Inspector Gorman, chief inspector of schools, Mr. R. J. Scott, Oyen, and Mr. L. A. Thurber, Hanna, representing the Department of Education. Mr. R. English, deputy minister of municipal affairs. Mr. A. A. McKenzie, superintendent of charity and relief and Mr. A. M. Reid, relief inspector.

Afternoon and evening sessions were held in the Acadia hotel, the meetings being presided over by Mr. R. Cates, Oyen, of the Municipal District of Golden Centre.

Giants and Senators Commence Play in World Series Tuesday

The 1933 world series commences in New York on Tuesday, October 3. After two games in New York, play is continued in Washington for three games, then back to New York for remaining games if any. The contending teams are the New York Giants (National League) and the Washington Senators (American League).

Vegetables for Drought Area

Co-operative arrangements for the supply of potatoes and other vegetables this winter to families in the drought-stricken areas in the south-eastern part of the province, have been completed between the provincial department of agriculture, the railways and the municipalities concerned.

Supplies of potatoes are being secured by the department at Edmonton, loaded on cars in bulk direct from the fields. These supplies are being transported entirely free of freight cost by the railways to the required points in the dry areas, from where they will be distributed through the municipal secretaries to families who come for them to the shipping points, at the same rate at which they were secured by the department at Edmonton. The entire arrangement is a co-operative one made possible by the generosity of the railways and other agencies working with the department, and the department appeals for supplies to those farmers who are interested in disposing of surplus vegetables at a reasonable price direct from the fields. Some 30 carloads of vegetables have already been arranged for and a number of these forwarded.

Husky and Happy - Oh Boy!

Forty-eight happy boys and girls at the Royal York Hotel, Toronto. They are the lucky winners of the Silver Token Contest sponsored by Crosse and Blackwell, well-known manufacturers of food products, and their reward was a two-day visit to the Canadian National Exhibition.

They all travelled Canadian Pacific and the Royal York Hotel was theirs for two full days. There was much entertaining in the various rooms occupied by the youngsters. The contents of a large number of bottles of pop were consumed. Hands were swept over slick heads and ties

were adjusted before entries were made to the dining rooms, and there was much jolly chatter over meals. Thorough tours were made of the big exhibition and for a long time to come these boys and girls will have happy memories of the two exciting and hilarious days.
